

March 2026

Dear Parents/Carers,

We are pleased to offer secure lockers for students at a cost of **£25 for five years**. This is a one-off payment, and please note that no refund will be issued when students leave. In the event of a lost key, there will be a **£3 replacement charge**, and any further losses may cause a delay. Locker keys must be returned at the end of Year 11.

Once all admission applications have been processed, lockers will be available to purchase through our **online school shop via Arbor**. We will contact you when this option becomes available. If you would like to secure a locker, please make your purchase by **3rd July**. This will allow us time to issue keys ready for the first week of term. Purchases made after this date may result in a delay, and lockers may not be issued until later in the term.

Your child will have sole use of their locker, and they should not allow anyone else to use it.

Locker payments help us maintain and purchase new lockers. If you would like to secure a locker but are experiencing financial difficulties, please contact Mr Rob Collar in confidence.

If you have any questions regarding lockers, please email me at **r.healey@thornden.hants.sch.uk**.

Thank you for your support.

Yours sincerely,

A handwritten signature in black ink that reads "R. Healey".

Mrs R. Healey
Administration Assistant
