Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

Our school's legal duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include age, sex, disability, race, religion or belief, pregnancy and maternity, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all students the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all students
- Allow all students to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all students to style their hair in a way that is appropriate for school and makes them feel most comfortable
- Allow students to wear headscarves and/or other religious garments
- Allow students with sensory or physical needs to make reasonable adaptations to their uniform depending on their specific needs
- Allow for reasonable adaptations to our policy on the grounds of equality by asking students or their parents/carers to get in touch with their child's Head of Year, who can answer questions about the policy and respond to any requests. These will be considered on a case-by-case basis.

Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory guidance from the Department for Education (DfE) on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that need to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents/carers' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Adhering to the draft statutory guidance by restricting compulsory branded uniform and PE kit items to four or fewer (Thornden's polo shirt, sweatshirt and PE top).
- Carefully consider whether any items with distinctive characteristics are necessary.
- Limiting any items with distinctive characteristics where possible.
- Limiting items with distinctive characteristics to low-cost and/or long-lasting items.
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveler.
- Avoiding different uniform requirements for extracurricular activities.
- Making sure that arrangements are in place for parents/carers to acquire second-hand uniform items.
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents/carers of any changes.
- Consulting with parents/carers and students on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.

Expectations for school uniform

Uniform standards at Thornden School are high and our uniform code is inclusive, de-gendered and smart. We have a strict uniform policy for the simple reason that it enables every student to attend school in an equal and fair way. By maintaining this expectation, we ensure that appearance does not advantage or disadvantage any students based on fashion choice, socio-economic wealth, or body shape/size.

We strongly believe that this basic equality is a fundamental right of children in education and that this is vital to a caring and safe learning environment. For this reason, we will not spend time discussing, negotiating, or arguing personal views on uniform with parents/carers.
