If your child has been diagnosed with Asthma or prescribed a Ventolin inhaler for occasional use, please complete the following consent form so that if, in the event of an emergency, your child's own inhaler is unavailable or unusable staff will be able to administer the school's stock emergency Ventolin. Please note that the school still recommends that a spare 'back-up' Ventolin inhaler be stored in the Medical Room. If you require further information about emergency Ventolin in schools please refer to: <https://www.gov.uk/government/publications/emergency-asthma-inhalers-for-use-in-schools>
