

# LIGHT THE SOUTH ARTS TRAIL 2024

With the excitement of the 2024 Arts Trail looming, the Art Department at Thornden would like to give you the chance to paint and own your own mini lighthouse, whilst supporting the amazing cause of Southampton Children's Hospitals.

For £10 you are able to purchase your own ceramic mini lighthouse, which comes with its own small set of acrylic paints and a brush...all you need to create your own masterpiece!

Once you have purchased your lighthouse, you can either paint it at home, or come along to the art department periods 7&8 on 12<sup>th</sup> July where we will be having a lighthouse painting afternoon.

The mini lighthouse sets will be able to be purchased via Arbor until Friday 5<sup>th</sup> July with all proceeds going to the Southampton Children's Hospitals charity.

If you do not wish to purchase a mini lighthouse but would still like to support this worthy cause, you can donate via the Just Giving page, using the link below. Anything you can spare would be much appreciated!
